**Comments:**

This certificate is provided to the applicant on the basis of the information provided by the manufacturer or the applicant, and it gives to the applicant the right to use and affix the ECTI CERT Mark on their products accordingly to the ECTI CERT regulation for voluntary certification about its release and its use. The latest revision of the Regulation is available and can be downloaded from the website [www.ecti-bg.com](http://www.ecti-bg.com). Therefore, it does not imply any assessment on the safety and compliance of the product, or the production process of this product by ECTI CERT.

Date of Issue

  
Manager

CE marking is only used on the product if all the relative EU Directives or Regulations are complied with. EC Declaration of Conformity and the technical documents are prepared by the manufacturer or its applicant who puts the product on the market.

The validity of this certificate ( 4 years from the date of issue) can be checked on the ECTI CERT Homepage.

Any alteration or duplication of this document in parts is subject to approval by ECTI CERT Ltd.
